President's Message

So enjoying the cooler weather as I scurry around finishing my quilts for our quilt show! Quilting a couple for members too.

Thank you Marilyn and crew for a wonderful philanthropy workshop. Our visitor wished her quilt guild did something like it. Please bring back your placemats for donation to the October meeting, last chance will be our November meeting.

I hope you are all excited about our quilt show. I know I am. We will have lots of beautiful quilts on display. Please see the article on what you need to know for the show.

See you at our October meeting.

Peggy

OCTOBER Philanthropy

Our Philanthropy Sew-in last month was a big success - thank you to all of you who participated. I came home with 25 placemats!!! What was nicer still, was that all of our placemat kits were taken to be sewn at home, so I will expect to see them back soon. I will need all placemats returned by our November meeting, because I will take them to Meals-On-Wheels after Thanksgiving.

Please give a round of applause for our members who donated philanthropy quilts at our September meeting: Barbara Michalec & Nancy O'Connell, Thank you !!! This week I will be taking 15 quilts to the Chula Vista Veterans Home.

I bagged up 46 pounds of scraps after our last meeting. Whew! The landfill can now thank the Kaleidoscope Quilt Guild for keeping 456.5 pounds of textile scrap out of the city dump since January 2019. Aren't we a terrific group of quilters???

Keep those sewing machines whirling! See you at the next meeting!!!

October Program - Pam Hadfield ...

If you missed taking Pam's sold out spooky town Halloween pillow workshop, entitled "It's All in the Neighborhood," at the San Diego Quilt Show, don't fret. She'll be in our neighborhood for our October meeting bringing a trunk show filled with quilts ranging from pieced to appliqué with cotton and wool to mixed techniques and pictorial. Her quilts may look familiar. They have been featured in Quilters Newsletter, Quilt Mania and American Quilter. She has exhibited at the Houston International Quilt Show and won multiple awards at Road to California, Nashville AQS, Grand Rapids AQS and Paducah.

Pam started sewing at the age of 10 and moved into quilts after sewing clothes for her children and herself. Traditional piecing was her comfort zone, then she branched out into traditional cotton applique and from there onto wool applique enhanced with embroidery stitches. She also loves exploring art with pictorial quilts. Her newest venture is the design of her first two quilt patterns: "Red, White and Bloom" and "Texas Strong". She is currently teaching a Beginning Quilting class at Saddleback College for Community Education in Mission Viejo, CA. You can follow Pam's work at <https://www.mamapquilts.com>.
